Portal and Data Collaboration Authorization

Maryland Oncology Hematology's Patient Portal (Ontada Health) offers convenient and secure access to your personal health record. As the patient, you are in control of your portal record. We will not activate your personal account unless you authorize us to do so. Please look for an email within 1-2 business days after submitting this form. The email will come directly from Ontada Health. (For your protection, the link is designed to expire if not used.) Link expires 30 days after receiving.

Note: Because personal identifying information and other information about your health and medical history is available the portal. It is very important that you keep your password private. Do not share with anyone or write it in a place easily accessible to others.

If you should change your email addresses, please contact your physician's office in order to provide your new email contact information so that you will continue to receive updates and other pertinent about the portal or your record. Please choose an email address that will not be subject to access by anyone you do not trust.

Maryland Oncology Hematology is now part of Carequality, which supports secure access to health information across diverse networks, including those operated by electronic health record vendors, record locator service providers, health information exchanges, and others. All patients will be automatically enrolled unless they opt out.

If you choose not to execute this Portal and data collaboration authorization form, you will not be able to access the portal. If you wish to discontinue utilizing the portal, please contact your physician's office.

You are receiving access to the portal. The terms and conditions of the portal shall apply to this Portal Data and Collaboration Authorization Form. Please write legibly.
